

The Upstairs philosophy for sourcing our wine selection is simple; we favour family-owned and operated estates, wines must deliver on quality whatever the cost, shine with provenance and character, and be crafted by dedicated individuals producing great-tasting wine for those of us who love to drink it.

SUSTAINABLE

Sustainability is important to us all and we favour producers who prioritise it. For wine this covers every aspect of production, not just what happens in the vineyard and winemaking, but eco-decisions on carbon emissions, waste and much more.

We source the majority of our wines from one London-based merchant who has achieved Carbon Neutral Plus status, which means they offset more carbon from vine to glass than they create.

ORGANIC

Although some of our wines are certified as organically produced, many more growers now nurture their vines sustainably which is not always communicated on the label.

They practice organic principles firstly to make the best wine they can, but also to protect and benefit the environment.

VEGAN

This primarily, though not exclusively, references preparing the wine for bottling, when most wines are clarified to ensure they are crystal clear. Sometimes this may include the use of animal derived products (egg white for example). We can assure you that zero clarification agent remains in the wine after filtration.

SPARKLING

These premium bubbles are all produced in the 'traditional' bottle-fermented Champagne method, so something tasty here for all occasions. Our award-winning home grown Sussex sparklers are both super smart, stylishly curated from the three classic Champagne varieties.

ROSÉ

Our pair of sophisticated, single estate Provence pinks impress whatever the weather, both a rewarding match with just about any dish on our menu. The Perrin is a less complex Provençal dupe from a little further north, whilst the fruit-forward Sossego brims with ripe red berries (Aragonez is Spain's Tempranillo).

BY THE GLASS

Cooler months can make you yearn for a little more texture and substance in your glass. Try the modern white Dão, scrumptious stone fruits, barely-there oak spice, and our Macon-Igé outshines many loftier Burgundian labels. For first class winter-warming reds, the Plantagenet Cab/Merlot, Organic Malbec or classic Perrin CDR offer a big hug.

ENERGETIC

A quintet full of vim and verve yet not at all skinny or linear. The legendary Pieropan is the Ferrari of Soave Classico, a must-try. Our classy petit Château blend will grab the attention of all Sauvignon devotees, whilst the Verdicchio impresses with fleshy citrus and nectarine fruits. All enliven anything from the sea.

FRAGRANT

An eclectic compote of fruit-forward aromatic varieties, perfectly suited to anything Asian-influenced or from the veg patch. Kiwi Pinot Gris offers a more expansive experience than its Italian counterpart, and Greywacke is simply stellar. Do try our modern white Dão, juicy fresh peach, a whisper of honeyed spice.

POLISHED

Glossy and sophisticated, these offer succulence and curves a-plenty. The boutique Macon and De Loach confer an inviting sheen of fragrant oak, whilst the organic CDR and Pouilly-Fumé each impress with their generous, mineral-infused individuality. Joyful with crab and robust fish, pork and poultry.

RED

JAUNTY

Approachable, appetising, fruit-led reds that are light on their feet with barely a whisper of tannin. Their savoury juiciness will enhance rather than overwhelm any dish, yet equally provide a refreshing, stand-alone sip. All are unoaked except the classy Fontenille Claret, which is part barrel aged for 18 months.

MELLOW

Our dreamy, organic Rioja is more akin to a Reserva and Plantagenet's Bordeaux blend is mature and multi-faceted. Both aged in new French oak barriques, they are best friends with lamb or our hearty ox-cheek. De Loach achieves the holy grail of Pinot elegance on a sensible budget, our go-to red with poultry and pork.

OPULENT

This corner of the cellar radiates a warming, peppery glow, generous dark fruit and fragrant sweet spice. Ripasso is a 'baby Amarone', re-fermented with the dried grape skins so it's less buxom but equally more-ish. Mitolo produce top tier, ocean-influenced, sumptuous yet vibrant reds, and one glass is never enough.

WHITE

2021 Greywacke 'Wild' Sauvignon Blanc 13% Marlborough V 72

Menu Match: Pumpkin with Chimichurri, Crab Spaghetti with Spice Butter

Kevin Judd's structured, ripe but not OTT Sauvignon on our core menu is hugely popular (also in magnum), but this flagship bottling is definitely on another level. This is an intricate style, fermented in old oak barrels using naturally occurring wild yeasts which results in exceptional texture and complexity. Classic guava and kiwi, hints of pea pod and asparagus, all overlaid with savoury cashew and hazelnut richness.

Considerable depth and opulence in complete harmony that SB fans will adore. Kevin pioneered the now classic Marlborough Sauvignon Blanc style at his first vineyard in 2009, naming his wine after the greywacke sedimentary stones on his land (pronounced grey-wak-ee).

2020 Chablis 1er Cru 'Les Fourneaux', Domaine Corinne Perchaud 13% Burgundy V 90

Menu Match: Cured Salmon, Tuna, Shellfish

Corinne Perchaud is married to fellow Chablis producer Jean-Pierre Grossot, whose grandfather established the domaine in the 1920s. The couple bottled their first Chablis in 1980. Today their youngest daughter, Eve, works with them in keeping with the family tradition.

Corinne's wines are elegant, intense and nervy with superb definition and ageing capacity. The typically bijou estate is situated in the commune of Fleys, where 13 hectares are devoted to Chablis. 'Les Fourneaux' is a Premier Cru vineyard on the eastern edge of the district, named for its warm mesoclimate ('fourneau' means 'stove' in French), and these wines tend to have ripe, tropical flavours alongside their intense minerality.

2020 Meursault 1er Cru 'Les Charmes', Domaine René Monnier 13.5% Burgundy 110

Menu Match: Mushrooms, Truffle, Poultry

The white wines of the Côte d'Or in 2020 are universally acknowledged as outstanding, with excellent acidity and a ripe fleshiness that makes them immediately appealing. Albeit in very limited quantities due to the very dry growing season. Add into the mix that weather-wise the follow on 2021 vintage was pretty catastrophic in Burgundy, these 2020 wines are in high demand – our stock is very limited so treat yourself now while you can! Family owned since 1723 and the current 11th generation has established their fresh yet creamy, elegant style and without excessive use of oak.

RED

2017 Aloxe-Corton 'Les Brunettes et Planchots', Château de Santenay 13% Burgundy Y 90

Menu Match: Poultry and Game, Sirloin, Ox Cheek, Mushrooms

A magnificent property dating back to the 9th century in the Côte de Beaune. Aloxe-Corton is a village which produces predominantly red wines from Pinot Noir, 'Les Brunettes et Planchots' is a certified lieu-dit – a specific, very small named plot within the village.

This is a serious red Burgundy, powerful and aromatic, with dark morello cherry and raspberry underpinned with racy acidity and smoky oak spice.

Excellent value from a top tier producer, old vines and a slightly off-the-radar commune.

Once exhausted, the 2018 vintage will replace 2017.

2019 St-Emilion Grand Cru, Château Tour de Capet 14% Bordeaux 75

Menu Match: Roast Duck with Blackberry

This 10 hectare estate has a zero residue policy which prohibits the use of herbicides. Produced from 90% Merlot and 10% Malbec by winemaker Christophe Grenier and renowned consultant Stéphane Derenoncourt, matured for 12 months in French oak barriques (1/3 new). The 2019 vintage is described as 'easy' due to the hot, dry weather which resulted in very healthy fruit that required no intervention. Savoury black fruit, toasted oak spice and tobacco, textured though supple structure, agreeably balanced. Very long and already very approachable.

2018 Barbaresco, Massimo Rivetti Family Farm 14% Piedmont 72

Menu Match: Mushroom, Truffle, Sirloin, Ox Cheek, Mature Hard Cheeses

Barbaresco is the close neighbour of Barolo, both districts produce substantial, complex reds from the Nebbiolo grape. Barbaresco is generally a little less muscular due to the sandier soils, lighter and brighter, with a less robust tannic structure, and is therefore approachable at an earlier stage. Massimo's family farm of 25 hectares is certified Organic with vines up to 75 years old, naturally fertilised with no use of herbicides or pesticides.

This wine is matured for two years in large old oak barrels and in bottle prior to release.

An abundance of red berries, wild herbs and forest floor earthiness, this is multi-faceted with great length.

MAGNUM

NV Champagne Piper-Heidsieck Cuvée Brut 12% Champagne ^V 156

Dating from 1785, this is one of the region's most renowned producers and recently achieved B-Corp Certification. Pinot Noir and Meunier red grapes dominate the blend, conferring breadth and texture to the pear and citrus freshness.

Very more-ish, and apparently a favourite of Marilyn Monroe too!

2022 Greywacke Sauvignon Blanc 13% Marlborough ^V 104

One bottle is never enough, so make it a mag! Stylish interpretation of classic Kiwi SB, plenty of fresh tropical fruits and a succulent mouthfeel, yet revealing an almost European accent.

Best of the best.

2021 Château de Rouët 'Villa Esterelle' Rosé 12.5% Provence 98

Super elegant, refreshing yet mouthfilling, and long. Versatile all-rounder which pairs well with much of our menu, helpful when tucking into a variety of dishes.

2016 Rioja Reserva, Bodegas LAN 13.5% Rioja ^V 108

Outstanding vintage and drinking at its best. Everything a Rioja lover could wish for, and then some.

2020 Altos Las Hormigas Malbec Clásico 13.5% Mendoza 90

Supercharged with ink black fruit that is juicy and succulent, not too muscular but hearty and satisfying. A crowd-pleasing winter-warmer.
